2. Prescribed format –**Annexure-II.**

Director (Training and Research),
iCED, Jaipur

Subject: Empanelment of retired IA&AD Officers as Experts/Guest faculties at iCED, Jaipur

1. **Introduction**

    iCED aims to be a global Centre of Excellence for improving accountability and governance in the area of environment and sustainable development. Its stated mission is to develop high quality products in training and research to enrich environment audit through an inter-disciplinary approach enabled by valuable partnerships. It is also a Global Training Facility of INTOSAI WGEA and WGEI.

    The experience of conducting audits of all types (financial, compliance and performance) in all sectors and across India gives IA&AD and in turn iCED an enviable pool of knowledge. IA&AD has conducted more than 100 environment audits in the last 35 years. Training and experience sharing in the area of environment auditing, contributes significantly towards promotion of accountability and good governance in this field.

2. **Area of Training**

    iCED is regularly conducting training programs covering subjects such as forestry, wildlife protection & bio-diversity, mining, natural resource management, coastal and marine ecology, waste management, water issues, environment management systems, etc. In recent years, audit of SDGs with greater focus on specific SDGs related to sector such as Agriculture, Health, Education and environmental aspect of SDGs have also been emphasised and included in trainings. Besides, use of recent technologies such as remote sensing, GIS in environment audit and audit of SDGs are also part of the courses covered in trainings at iCED. An indicative list of courses and subjects are attached as **Appendix**.

3. **Objectives of engagement.**

    Officers in IA&AD have significant experience of audit and international exposure through participation in activities of International Organisation of Supreme Audit Institutions (INTOSAI) and its various working groups, sub-groups and committees established for standard setting, capacity building, knowledge sharing etc; whose expertise and potential can be utilized for training of auditors around the globe.

4. **Guidelines for engagement as Guest faculty**
    a. *Eligibility:*
        i) Retired IA&AS Group Officers and Sr. Audit officers.
        ii) The officers should, ideally, have retired in the previous five years.
        iii) Experience in Environment Audit is desirable.
    b. *Emoluments:*
        Honorarium may be paid to guest faculties as per the provisions of DOPT O.M. No.13024/2/2008-Trg. 1 dated. 03.03.2009/23.09.2014.
    c. *Other Service Conditions:* Lodging and boarding and all the other expenses would be borne/reimbursed by the Institute.
